Tillsonburg announces Interim Fire Chief

Tillsonburg, ON – The Town of Tillsonburg has appointed Scott Tegler as Interim Fire Chief.

Tegler previously served as Fire Chief and Community Emergency Management Coordinator with the City of Woodstock.

“Scott brings a wealth of experience and education to the position,” says CAO Kyle Pratt. “He will serve the members, community and Council well during this time of transition.”

Shane Caskanette, Tillsonburg’s former fire chief, submitted his resignation in December and served his last day with the Town on January 5.

Pratt says recruitment for a permanent chief will begin in the near future.
